Subject:Hello from Rome Abbate Vittorio...
Date:Tue, 30 Aug 2005 17:34:15 -0400

Rome is a beautiful place, our group just returned from seeing St. Peter's Basilica and the Sistine Chapel as well as all the beautiful sites in Rome.
Tomorrow we will be going to St. Peter's Square to receive blessings from Pope Benedict.
World Youth Day in Germany was very full and fun. I met a lot of people. We had host families and the many world youth day events we participated in were eye opening and new to me but I enjoyed learning more about my faith. I was missing having other habesha seb with me but it encouraged me to hope that our church can organize early for the 21 world youth day in Australia so we can send more people. I'm enjoying myself and I'm thankful for the opportunity.
I'll talk to you when I return Abbate Vittorio, then Caio.
