

PROGRAM
FOR THE COMING MONTHS
(Sept 5, 2005)

1. Starting from October, the Mass on the first Sunday of the month will be in English, of course using the Geez Rite. Booklets will be made available. We need your cooperation with the choir, the deacons, readers and every other ministry;
2. We have a web site: www.kidanemhret.ca, where we have also a YOUTH CORNER. It is for you to follow it and enrich it with graphics, ideas, questions, reports, etc. Your name can be withheld, if you ask us to do so, but the webmaster cannot accept anonymous contributions;
3. Our meetings are going to be held on Sundays: the first and third Sunday of the month. Mark these dates on your calendar; on such meetings we could sometimes invite one of the group to give a presentation, other times we could invite some people from the Eritrean Community to talk to us;
4. Other activities that our group sponsors could be like: help with the other groups in the parish, especially with the children at Mass on Sundays or on their Bible class on Saturdays, visit members of the community in particular situations: sick at home, in the hospital, in prison, etc.; organize fun together once or twice a semester (go to a movie, spend one day in a resort area, a retreat center, etc. but we need to fix the date well in time);
5. Do you have any other idea to present? Feel free... Your contributions are greatly appreciated and taken into serious consideration.
